Zone Purpose:

R R Α T

ı

Tax Increment Reinvestment Zone Number Seven, City of Houston, Texas was created to provide a plan and programs needed to encourage investment and stimulate commercial, industrial and residential development in Old Spanish Trail, Almeda Road and Griggs Road corridors area, adjacent neighborhoods and Upper Third Ward including design and construction of roadways and streets, public utility systems, parks, environmental remediation and land acquisition

In fiscal year 2025, the OST/Almeda Corridors Redevelopment Authority-TIRZ #7 accomplished the following:

- · Park at Palm Center-Phase II A (CIP #T-0706). Construction/installation of additional park and community garden amenities/upgrades included two new gateways, restroom upgrades, additional lighting, splash pad repairs, new BBQ pits, improvements to sidewalks surrounding garden area, playground/fall surface improvements, and shade shelter repairs for this public park located adjacent to Palm Center.
- Almeda Corridor Improvements Phase V (CIP #T-0718) (CIP #T-0710) Real Property Land Assembly and Site Preparation. Construction/installation and maintenance of additional improver ants to three TIRZ-owned public parking lots included: new
- asphalt overlay and parking lot striping, new metal fencing, la discaring improvements, new security cameras installed to existing light poles, new finishes & painting, paver repairs of sidewalls, and wooden perimeter fencing repairs.

 District Landscape Median Improvements (CIP #'(\$\.0711\) 7\.0728, \.0729). Construction/installation and enhancements to several center medians located on portions of Cu let. Man in Luther King, and Southmoore streets. Improvements included: newly planted trees and shrubs, new paves, and irrigation repairs.
- Engineering efforts involving designation are roval etters were authorized and given to the TIRZ involving several Capital Improvement Projects by the City of Houston: Live Oak Street Improvements Project (CIP #T-0724), Emancipation Avenue Reconstruction Project (CIP #T-07, 1A), and Creater Third Ward Neighborhood Project (CIP #T-0722). Design Engineering efforts for the Live Oak Project during this fiscal year resulted in the completion of both 90% and 100% submittals and approvals from the City of Houston. The project will proceed towards competitive bidding to select a general contractor for construction. Also, during this fiscal year, the Greater Third Ward Neighborhood Project-Section B resulted in submittal completions and approvals from the City of Houston from 60% to 90%. A change in project scope and limitations occurred to the original Emancipation Avenue Reconstruction Project (CIP #T-0711A). The engineer of record submitted and received approval from the City of Houston-Public Works involving a maintenance-related asphalt overlay project inclusive of repairing existing concrete sidewalks and curbs on the west and east sides of Emancipation Avenue between Pierce and McGowan Streets. The engineer of record completed design drawings and received approval from the City of Houston-Public Works involving Historic Third Ward streets and sidewalk improvements (CIP #T-0722 & T-0713).
